

Computers 101 - Mrs. Morin  
HOMEWORK ASSIGNMENT #1

Due: 11-05 -07 (3S & 3W)

You have just uncovered from your Wonka candy bar, the last of the 5 gold tickets to enter into Willy Wonka's chocolate factory. Before you can enter with your golden ticket, Mr. Wonka is requiring that you write a paragraph that describes a little about yourself. To help you with this task, complete the following four steps on a piece of paper and bring into computer class on the above due date. If you have any questions, please me ask **BEFORE** the due date.

1. Create a title for your paragraph. Write it down at the top of your paper.
2. Make 4 lists of the following items:
  - a. 5 of your favorite people. This can include your favorite sport's hero, movie star, or cartoon character.
  - b. 3 of your favorite subjects.
  - c. 5 favorite activities that you like to do either at home or at school. This can include any sports or musical instrument you like to play.
  - d. 5 of your favorite foods you like to eat.

Write these lists on the same paper you wrote your title.

3. Next, write a paragraph that describes you (such as what color eyes and hair you have, are you a girl or boy, your age, etc.). Include in the paragraph what places you have visited, would like to visit, or where you have been on family vacations, and if you have any pets, brothers, and/or sisters.
4. The paragraph should be at least 5 sentences long (but no more than 10) and should be written on the same paper with the title and your list of favorite items.

**NOTE:** The homework assignment is handwritten. We will be typing the assignment on the computer in class as part of a computer project.
