HOMEWORK ASSIGNMENT #2
Saint PowerPoint
(Power Point Presentation)

Due: 4-28-08 (4A and 4M)

Description:

In this assignment, you will be creating a power point presentation (in computer class) that will display the information you researched on your saint. The presentation will consist of three slides:

1. Title Page
2. Slide Two: Introduction
 - a. Name and picture of the Saint
 - b. Birth and Death of the Saint
 - c. When the saint was canonized
 - d. Date of their feast day
3. Slide Three: Biography or brief description of the life of your saint. The slide can include:
 - a. Pictures
 - b. Text boxes describing at least one of their miracles or an important event in their life
 - c. Word art of words that would describe your saint

Each slide will consist of Word Art, Clip Art, and other pictures that are related to the saint. You will also be learning how to animate your presentation.

Preparation (on paper):

For homework, you are to gather the information you researched on your saint from the Internet project we did in January. You are welcomed to find more information at home either using the Internet or other resources. Organize the information according to each the slides' guideline listed above. You also need to create title for you presentation that will be displayed on your first slide. Be creative as you outline your information for your presentation. You can also use the shield that you created in the Internet project as part of your presentation.
